

APPLY NOW FOR THE SUMMER 2026 “JAPAN IN DC” PROGRAM

Globalize DC is now accepting **STUDENT APPLICATIONS** from DC high school students (either DCPS or charter) for its six-week summer program, “**JAPAN IN DC.**” The program is scheduled to run June 29-August 7, 2026, Monday-Friday, 9 am-2:30 pm.

If you’re into Japan or just want a global experience without leaving the city, this is the program for you! You’ll spend your time with other highly motivated peers, exploring and getting to know a wide variety of people, places, organizations, and businesses with connections to Japan. It will be a lot of fun – with real-life exposure to the Japanese world and Japan-related careers in your own city! We’re even including a little Japanese language learning as well. Students will document and share what they learn, will gain useful work-readiness skills, and will create their own student-led tours.

This program will be part of the Marion S. Barry Summer Youth Employment Program. Students who are registered with MBSYEP will be paid for their participation. Those not registered are still welcome to apply.
